

# Ice Cube Machine - 100 Kg

## DLIM100F

### Caractéristiques Produit :

|                                                 |                                                         |                                          |
|-------------------------------------------------|---------------------------------------------------------|------------------------------------------|
| <b>Food :</b> 220-240-v                         | <b>Type of Ice Cubes :</b> in-grains                    | <b>Daily Production (KG / 24h) :</b> 100 |
| <b>Exterior Finish :</b> stainless-steel-aspect | <b>Length (mm) :</b> 500                                | <b>Depth (mm) :</b> 612                  |
| <b>Height (mm) :</b> 960                        | <b>Subject :</b> stainless-steel                        | <b>Power (W) :</b> 450                   |
| <b>Storage Capacity (kg) :</b> 25               | <b>Maximum operating ambient temperature (°C) :</b> 25c | <b>Refrigerant gas included :</b> r290   |

### Informations Logistiques :

|                         |                            |                         |
|-------------------------|----------------------------|-------------------------|
| <b>Largeur :</b> 680 mm | <b>Profondeur :</b> 580 mm | <b>Hauteur :</b> 970 mm |
|-------------------------|----------------------------|-------------------------|
